HOW TO USE THE ACCESSORIES CATALOG

Volvo Trucks North America is pleased to bring you the next edition of the Accessories Catalog. Whether your truck is the new VN with cutting edge technical advantages or an older model you want to spruce up, you will find the latest accessories in this catalog to fit your needs. Even if your truck is not a Volvo at all, these accessories will make it shine and stand out from the crowd.

This catalog is divided into 11 sections to make it easy to find exactly the item for which you are looking. Sections are color coded as follows:

Section	Color	Pages
Stainless Steel Trim for the new VN	Blue	1–6
Chrome Accessories	Orange	7–15
Wheels	Green	16–17
Electronics	Purple	18–22
Lighting & Warning	Brown	23–26
Mudflaps & Accessories	Teal	28–33
Mattresses	Yellow	34
Cargo Control	Wine	35–36
Vocational & Towing	Black	37–39
Safety & Miscellaneous	Red	40–42
Winterfronts & Bugscreens	Blue	43

If you are looking for a particular part, there is a handy index in the back of the catalog. We have included pictorial representations throughout for your convenience and as examples only. Actual appearance may vary.

Please visit a Volvo Trucks dealership to purchase any of the accessories found in this catalog. For the location of a dealer near you, please call **800/444-7787** or visit us on the web at **www.volvotrucks.us.com**.

We welcome your comments. Please fax us at 336/393-2084 Attn: Accessories Catalog or click on “Contact Us” at www.volvotrucks.us.com, subject line “Accessories Catalog”.

Bendix® XVision®

See what you’ve been missing

The XVision real-time, black & white thermal image as seen on the in-cab display unit.
Approximate display size is 2" H x 5.6" W

Bendix XVision, the first and only visual collision avoidance aid for commercial vehicles, restores daytime-like visibility to nighttime driving. XVision lets drivers see five times farther than with their regular headlights, giving them an extra 11* seconds to safely steer or stop their vehicle and avoid collisions caused by the unexpected. The infrared camera is made to withstand truck washes, road dirt and outside weather ranging from desert to arctic conditions. **See what you've been missing. Stop by your nearest Volvo dealer location or call Bendix at 1-800-247-2725 today.**

Part number BW 5010086 XVision installation Kit includes infrared camera, display unit, brackets, wiring and more. Additional configurations are available to meet your application needs.

* assumes driving speed at 60 mph
